Dear Mr. Nze-Bertram,

I am writing on behalf of my organization, The Drammeh Institute, Inc., to express our deepest appreciation and support for the great initiative that has been put forth by Celebrating African Australians, "The African Diaspora in Australia (& Asia Pacific) Project", supported by His Excellency, Mr. Molosiwa Selepeng.

Your work is a model for other regions of the Diaspora longing for examples of such unity building. We look very much forward to working with you on projects, and remain committed to sharing information about your activities.

Thank you for working to preserve our unique heritages.

Warmest Regard,

(Ms.) Iman Drammeh Nur
