Dear Mr Nze-Bertram

Thank you for your email of 25 May 2014 about a proposal to establish 'The African Diaspora in Australia (& Asia Pacific) Project.'

Australians of African descent contribute tremendously to our nation and our identity.

Initiatives that help to unite and to build the capacity of all Africans and Australians of African descent through cultural, business, educational and tourism exchanges at a local, national and international level are to be encouraged.

I congratulate all those involved in this project and I look forward to learning more as the objectives, structure and processes of this initiative reach fruition.

Yours sincerely
